CBW

Cutting Board Whitener

CBW is specifically designed to restore cutting boards to “like-new” condition. Its special formula helps remove stains that occur during daily use. The extra thick gel will not “run off” which helps keep the product where it needs to be...on the surface of the cutting board, and allows it to do its job.

Designed to restore gray, browning, or yellow stained and discolored cutting boards to like-new condition.

Power packed formula makes restoring cutting boards effortless.

Lengthens the service life of expensive cutting boards.

Thick gel formula helps keep the product on the surface of the cutting board - it will not run or drip off.
