

CONSERV SG65

Solid Laundry Detergent - Break/Builder

CLEANING SOLUTIONS FOR THE HEALTH OF YOUR BUSINESS.

CONSERV SG65

Solid Laundry Detergent - Break/Builder

CONSERV SG65 is a one-shot laundry detergent with special ingredients to remove heavy grease and particulate soils from all fabrics. Contains water conditioners for a clean, bright wash. Safe and convenient form eliminates the potential hazard of employee injury by accidental contact with product.

Super concentrated - powers out tough soils, odors and stains.

Specially formulated to remove oily and greasy soils.

Used in all water conditions.

Safe to handle.

Requires substantially less inventory and storage space.

Contains no phosphate, VOCs, alkyl phenols (APEs, NPEs).

Rapidly biodegradable, it meets all standards for fast biodegradation rates.

Recognized by the Environmental Protection Agency's Safer Choice program as a step forward in improving the safety and environmental impact of cleaning products that were previously available for the same use.

PACKAGING:

2 x 6 lbs/case (#7868S2)

PROPERTIES:

Color - Tan/Brown	Emulsification - Excellent

EPA recognition does not constitute endorsement for this product. The Safer Choice logo signifies that the formula for this product, as Sunburst has represented to the EPA, contains ingredients with more positive health, safety and environmental characteristics than conventional cleaners. EPA/Safer Choice relies solely on Sunburst, its integrity and good faith, for information on the composition, ingredients, and attributes of this product. EPA/Safer Choice has not independently identified, i.e., via chemical analysis, the ingredients in the product formula, nor evaluated any of Sunburst's non-ingredients claims. EPA/Safer Choice expresses its judgment and professional opinion only as to the environmental and human health characteristics of the product, based on currently available information and scientific understanding.

DIRECTIONS FOR USE:

Remove cap and place container upside down in the dispenser bowl. Detergent is automatically injected into the machine. See your Sunburst Representative for specific instructions.
