CLEANING SOLUTIONS FOR THE HEALTH OF YOUR BUSINESS.

ATTACK

Cling Degreaser

ATTACK is a cling degreaser that sprays on like a liquid. Specifically designed to hold a thin coating of heavy strength degreasing action even on vertical surfaces. Burned on grease and varnish are dissolved so they can be wiped away with ease.

Removes burned-on grease from ovens, hoods, filters and grills.

Clings to vertical surfaces. Unique thixotropic texture allows it to be sprayed on without running or dripping.

Increased contact time means less manual scrubbing. Doesn't dry out to a stubborn residue.

Super high alkalinity penetrants and solvent to attack the carbonized grease and oil on cooking surfaces.

PACKAGING:

4 x 32 oz (#610032)

PROPERTIES:

Color - Pink	Hard Water Tolerance - Moderate
Fragrance - Butyl ether	Rinsability - Fair to good
pH - 13.2-13.6	Fumes - On Hot Surfaces
Detergency - Good	Corrosive Factor - Excellent
Wetting - Excellent	Shelf Life - 1 year
Emulsification - Good	
Flash Point - none	

BAR CODE & CUBE INFORMATION:

Dimensions - 7.5 x 7.5 x 11.5
Weight - 10
Cube - 0.374
PKG/Layers - 30
Layers - 3
Pallet - 90
Hazardous - No
UPC Code - 10784331610035

SAFETY:

Read label carefully before use. For industrial and institutional use only. Keep out of reach of children. Contains caustic soda and glycol ethers. Protect skin, eyes and mucous membranes from contact with this product and solutions of it. Causes severe skin burns and eye damage. Avoid breathing spray mist or vapors. Use only with adequate ventilation. For further information, consult GHS Safety Data Sheet.

DIRECTIONS FOR USE:

DO NOT USE on painted surfaces and aluminum.
Avoid contamination of food.

Spray ATTACK onto surfaces to be cleaned. Cover soiled areas completely with foam. Allow ATTACK to penetrate grease or carbon deposits for 5-30 minutes. Reapply if necessary. Wipe off dissolved grease or loosened carbon with damp cloth. Rinse with clean water.
