BIOZYME

Solid Bacterial Grease Trap and Drain Treatment

BIOZYME is a solid biological grease trap treatment that is dissolved by in-house water through an automatic inject system to eliminate odors and keep drain lines free flowing and grease traps functioning properly.

Bacteria spores digest materials that clog grease traps and drains, and reduce B.O.D.'s, C.O.D.'s and suspended solids.

Regular treatment controls odor, prevents troublesome drain blockage and expensive grease trap pumping costs.

Highest concentration of biologicals available today for automatic inject systems with 27 billion CFU's per ounce of BIOZYME.

As a true bacterial based product, the by-products of digestion are water and carbon dioxide - which means no negative effects on drain lines further down the line.

Patent #6,150,316

PACKAGING:

1 x 4.5 lbs/case (#1620S1)

PROPERTIES:

Color - Purple	Hard Water Tolerance - Excellent
Fragrance - Lemon	Fumes - None
pH - NA	Flash Point - None
pH, Use Solution - 7.0-9.0	Corrosive Factor - None
Detergency - Good	Shelf Life - 1 year
Wetting - Good	
Emulsification - Good	

BAR CODE & CUBE INFORMATION:

Dimensions - 5.25 x 5.25 x 8.5
Weight - 5.25
Cube - 0.136
PKG/Layers - 36
Layers - 7
Pallet - 252
Hazardous - No
UPC Code - 10784331162091

SAFETY:

Read label carefully before use. For industrial and institutional use only by trained personnel. Keep out of reach of children. Harmful if swallowed. For further information, consult GHS Safety Data Sheet.

DIRECTIONS FOR USE:

Automatic Systems: Simply place the container upside down in the dispenser. Product is automatically dissolved and added to the drain and trap. Replace empty jug when product is no longer visible in the container.

Daily Dosage rate during longest period of non-use:

Drain Line Maintenance: 1/2 ounce per day

20 Cubic Foot Grease Trap: 2 ounces per day

40 Cubic Foot Grease Trap: 4 ounces per day

80 Cubic Foot Grease Trap: 8 ounces per day

Septic tank and Animal Waste Treatment: Depends on volume of liquid waste. Consult your Sunburst Representative for details.
