

COMPLETE

Softener / Sour

CLEANING SOLUTIONS FOR THE HEALTH OF YOUR BUSINESS.

COMPLETE

Softener / Sour

COMPLETE is a cationic fabric softener and sour that controls pH and keeps linens soft and bright. Formulated to control yellowing from iron deposits. Provides faster, more complete water extraction and tumble drying, reduces static electricity and wrinkling, and aids in processing linens through ironers and high speed folders.

Unique blend of softener, conditioner, and neutralizing solutions.

Provides more complete water extractions reducing dryer time.

Lubricates fibers to reduce friction eliminating static electricity.

Leaves linen soft and fresh.
