SAFETY:

Read label carefully before use. For industrial and institutional use only. Keep out of reach of children. For further information, consult the Safety Data Sheet.

DIRECTIONS FOR USE:

POTS & PANS: Use 1/2 to 1 oz. LEMON SUDS for every 3 gallons of water. Where grease encountered is excessive, put 1/2 oz LEMON SUDS in pan and soak for a few minutes.

GLASSWARE: Best results are obtained where 2 or 3 compartment sinks are used. First sink for washing, second for rinsing, and last for sanitizing. Use 1/2 oz. LEMON SUDS to 3 gallons of water for washing.

For maximum suds stability, place LEMON SUDS in empty tank first, then add warm water with full water pressure.
