Drain Treatment

CLEANING SOLUTIONS FOR THE HEALTH OF YOUR BUSINESS.

BIO DRAIN

Drain Treatment

BIO DRAIN is a liquid biological product designed to break down and digest organic materials in all types of drains.. Used through a foaming gun. The foam ensures complete surface contact inside the drain for maximum results, and full bacterial break down of organic soils that can harbor bacteria.

Power packed foam eliminates manual scrubbing and scraping.

Safe around personnel, concentrate cannot spill or cause injury, burns or eye irritation.

Pleasant scent eliminates foul smelling odors.

Helps to liquify septic tanks and drain field solids.

PACKAGING:

2 x 1 gal/case (#1660F2)

PROPERTIES:

Color - Yellow

Fragrance - Lemon

pH - 7.0-10.5

Detergency - Excellent

Wetting - Excellent

Emulsification - Excellent

Rinsability - Excellent

Fumes - None

Flash Point - None

Corrosive Factor - Not

Corrosive

Shelf Life - 1 year

BAR CODE & CUBE INFORMATION:

Dimensions - 7.50 x 7.50 x 11.50

Weight - 20

Cube - 0.374

PKG/Layers - 21

Layers - 3

Pallet - 63

Hazardous - No

UPC Code - 10784331198656

DIRECTIONS FOR USE:

Drain Lines and Down Pipes: Daily use in drains will keep pipes free and clear of grease, fats, and other solid wastes. Use product daily for best results. Use required foam gun to apply to drains. Regular use will not damage pipes or chrome.

Bio Drain Usage: Dilute at 1 oz./gallon through the Bio Drain Dispensing Gun.

SAFETY:

Read label carefully before use. For industrial and institutional use only by trained personnel. Keep out of reach of children. For further information, consult GHS Safety Data Sheet.
