

SPARKLE

Concentrated Rinse Additive

CLEANING SOLUTIONS FOR THE HEALTH OF YOUR BUSINESS.

SPARKLE

Concentrated Rinse Additive

SPARKLE is injected into the final rinse of either high or low temperature dishmachines. It's sheeting action inhibits formation of water spots and speeds up drying of dishes. Excellent performance even in tough water conditions, this premium rinse additive out-performs all others.

Contains concentrated drying agents.

For use in high or low temperature dishmachines.

Leaves dishes spotless and film free.

Excellent results in the toughest water conditions.

Product is Kosher Certified.
